

Written testimony on SB 1132

As a longtime Hartford resident, I have followed the Yard Goats Stadium project and its financial projections and assumptions since last June 2014.

Tom Deller, Director of Hartford's Development Services stated publicly on April 17<sup>th</sup> that it would not be an issue for the City of Hartford to not receive this admissions tax revenue.

With the current state budget crisis, and funds being cut from all kinds of critical human services, it behooves the state to be judicious and fair in its collection of admissions tax.

Therefore, I strongly urge you to vote against this bill, SB 1132.

Thank you,
